RE: Notice to Municipal Officials of Blue Hill Peninsula Area Towns

Please be advised that as of September 1, 2022, the Blue Hill Town Office will provide vehicle and boat registration service only to Blue Hill residents.

The Town's Select Board made this decision based on the capacity of the Town Office staff in light of increased volume of daily transactions.

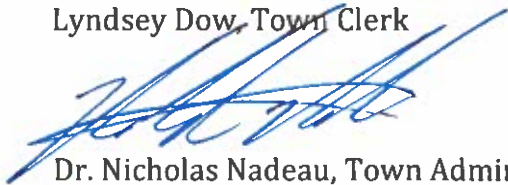

Residents of other towns will need to conduct their registration business at their town's office, at the Department of Motor Vehicle office in Ellsworth, or online.

We are hopeful this ample notice provides you and your residents time to adjust.

Respectfully,

Lyndsey Dow, Town Clerk

Dr. Nicholas Nadeau, Town Administrator
