## Surplus Computer Equipment Sale

### Introduction/Rules for Bidding

The Town of Blue Hill has identified certain computer equipment that it no longer needs and has decided to offer this equipment for sale to Blue Hill taxpayers and residents. All sales are subject to the following rules:

- **“As is” sale:** All equipment is sold “as is,” with no warranty offered as to the equipment’s functionality or fitness for any purpose. The following lot descriptions are believed to be accurate, but each bidder is responsible for inspecting the equipment before making a bid. Any prospective bidder who would like assistance in testing the equipment should contact Scott Miller at [smiller@bluehillme.gov](mailto:smiller@bluehillme.gov).
- **Buy it now price:** Some items have a “buy it now” price identified. If you want to buy the equipment immediately, see the Town Office staff with payment.
- **Making a bid:** Send an email to [townclerk@bluehillme.gov](mailto:townclerk@bluehillme.gov) or stop by the Town Office to make a bid in writing. Each bid must identify:
  - the individual making the bid, together with preferred contact information in the event the bid is accepted;
  - the lot number corresponding to the item to which the bid relates; and
  - the price at which the bidder proposes to buy the equipment described in the lot, which must be greater than the Minimum Bid (if one is identified for the lot).
- **Bid deadline:** All bids must be received by August 14, 2023 at 4:00pm.
- **Bid awards:** The Select Board will determine the winning bidder for each lot at its meeting on August 14, 2023, and winning bidders will be notified via their preferred contact method the following day.
- **Payment and equipment pick-up:** Winning bidders have until Friday, August 18 to pay for and retrieve the equipment they have offered to purchase. Town Office staff will assist in confirming your status as a Blue Hill taxpayer or resident, taking payment, and providing access to the equipment. Any equipment not paid for at the close of business on August 18 will be made available to the next highest bidder.

The Town of Blue Hill reserves the right to refuse any bid that it believes is not consistent with the above rules or whose acceptance would otherwise not be in the best interest of the Town.
