

Town of Blue Hill – Park Guidelines

OVERVIEW

The Town of Blue Hill has many great spaces open to the public for use. These guidelines apply to the following Town properties (stated below as Town property): Water Street Town Park, Horton Emerson Park off Water Street, the AA Fields off of Union Street, and the Gordon Emerson Auditorium at Town Hall. From time to time, the public may wish to hold an event or gather at these properties for special events and circumstances. In order to protect the Town from liability and to make sure that everyone has access to Town property, we have created the following guidelines to spell out the expectations around our public Town property.
