Business

1. **Review of Draft Traffic Ordinance**

The Board reviewed the provisions of the draft traffic ordinance.

In the course of the review, two members of the public commented on certain aspects:

- R. Boulet asked about enforcement and whether downtown property owners had been sent a letter reminding them that delivery vehicles may not obstruct traffic flow.
- He also asked about the status of the Tenney Hill sidewalk upgrades and whether the sidewalk would wrap around to the library's front walk. He also asked about the status of the crosswalk across Parker Point Rd. from the Library's main entrance.
- J. Warren expressed concern that making Mill St. one way (from Main St. to High St.) would make it more difficult for customers of Thai Taste to visit that venue (since he believes many of them currently enter Mill St. at High St.).

Adjournment

A motion was duly made and seconded to adjourn the meeting; all approved. The meeting adjourned at approximately 9:30am.
